Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed continuing information collections. The federal government will be a guarantor of flood insurance coverage for WYO company policies issued under the WYO arrangement. To insure that any policy holder money is accounted for and appropriately expended, the Federal Insurance Administration (FIA) and WYO companies will implement a Financial Control Plan. This plan requires that each WYO company submit financial data on a monthly basis.

SUPPLEMENTARY INFORMATION: FEMA regulation 44 CFR Part 62, Appendix B explains the operational and financial control procedures governing the issuance of flood insurance coverage under the National Flood Insurance Program (NFIP) by private sector property insurance companies under the WYO programs. The WYO companies are required to submit financial data on a monthly basis. The NFIP examines the data to insure that the policy holder funds are accounted for and appropriately expended. Monthly financial statements are prepared by the NFIP for the WYO program based on the data submitted by the WYO companies.
